

St. Paul's Praise Garden

The St. Paul's Praise Garden is a new joint ministry project which creates an outdoor space to host a variety of programs. As we plant and grow our garden plots, we deepen the roots of faith through living parables. St. Paul's is excited to introduce some of the new happenings in the garden, please come as you are able and comfortable. We are on the lookout for some gardeners with experience who would be willing to help with various programs. If you are interested or have questions, please contact Belinda at youthandfamily@saintpaulslutheranchurch.org or 240-315-5030.

Four 3x3 garden beds are the beginning of St. Paul's Praise Garden located on the front corner lot of the parsonage lawn at 12 W. Pennsylvania Ave.
